VIRTUAL CONGRESS
2-4 February 2022

SYMPOSIA PROGRAMME

To advertise for your symposium, please prepare a PDF flyer with the programme of the symposium and any additional information you wish to share regarding your session. The flyer will be used in two different locations to help you promote your session:

ON THE EAHAD WEBSITE

We will shortly create a section of the congress website which will list all the satellite symposia, with date, timing, and programme. Your flyer will be linked to your session so that viewers can access it when browsing the Satellite Symposia sessions.

ON THE CONGRESS PLATFORM

In the virtual congress platform, we will have a dedicated section for all sponsors, that will be visible the home page. Upon entering the sponsors section, the delegates will be able to read information on the sponsors and download your PDF, or on the delegates timeline, the programme of your symposium will be placed into your session description.

DEADLINE & LOGISTICS

Please send your pdf flyer to eahad@mci-group.com at your earliest convenience and **no later than Thursday 10 December**.
