

IMMUNOGENICITY AND INVESTIGATIONAL AAV GENE THERAPY

Join us for the Spark-sponsored symposium
at EAHAD 2023

Wednesday, 8th February 2023 | 15:30–16:45 GMT

Charter 1–3, Manchester Central Convention Complex,
Manchester, England, UK

The faculty

Dr Flora Peyvandi, MD, PhD (Chair)

Fondazione IRCCS Ca'Grande Ospedale Maggiore Policlinico, Angelo Bianchi Bonomi Hemophilia and Thrombosis Center and Università degli Studi di Milano, Milan, Italy

Dr Francesca Fallarino, MD, PhD

Università degli Studi di Perugia, Perugia, Italy

Dr Federico Mingozi, PhD

Spark Therapeutics, Inc., Philadelphia, PA, USA

Join the expert panel as they discuss immunogenic responses to AAV vectors, and the strategies being investigated to overcome this challenge and unlock the full potential of gene therapy. Attendees will have the chance to submit questions to the panel for discussion during this interactive meeting.
