# Welcome Message

Dear colleagues and friends,

On behalf of the EAHAD 2025 Organising Committee, it is my honour and pleasure to invite you to the 18th annual EAHAD Congress, taking place in Milan from 4 to 7 February 2025.

The mission of EAHAD is to promote education, support research, and improve clinical care and the lives of patients with inherited or acquired bleeding disorders. Our congress aims to be the quintessence of everything our association stands for.

This year's scientific programme has been carefully designed to broaden the community's understanding and spark discussions on the latest advancements in areas such as novel treatments, gene therapy, von Willebrand disease, implementation of AI in healthcare, management of elderly people with haemophilia and much more.

Internationally recognised speakers will share their insights and expertise, while our delegates will be able to present their research, exchange ideas, and network with fellow colleagues.

Within the vibrant metropolis of Milan, lies our home for EAHAD 2025, the MICO Congress Centre. A true testament to architectural ingenuity and innovation, the venue is located in the City Life area, which was designed in collaboration with the Iraqi-British architect and artist, Zaha Hadid.

Milan itself is a treasure-trove of elegance, style, history, culture, and gastronomy. From iconic landmarks such as the Duomo di Milano to the picturesque streets of Brera, every corner exudes charm and allure.

It is a truly special place and we hope to give you an equally special experience with our 18th annual congress.

Welcome to Milan. Welcome to EAHAD 2025.

*Flora Peyvandi*  
**EAHAD 2025 Congress President**
