

Please join us for a Pfizer Satellite Symposium at the
European Association for Haemophilia and Allied Disorders (EAHAD) Congress 2026

Advancing haemophilia care through lived experiences: exploring anti-TFPI approaches

Wednesday, 4th February 2026

13:00–14:00 GMT

Liffey A, The Convention Centre Dublin, Ireland

Join us for an interactive symposium focussed on anti-TFPI therapies and their potential to address the contemporary unmet needs of people living with haemophilia. Expert faculty will explore patient experiences and preferences and unpack how these factors shape treatment choices and clinical decision-making.
